

## PVC U CHANNEL PROFILES

### PVC Rounded U channel

#### Convenient for foodsafe partitioning inside coldrooms

- The edge detail of the 'U' channel allows easy panel insertion.
- The joint to be finished with a sealant if this is required.

#### Full compatibility with Plinth Profiles EX.15 and EX.80

- The U channels have a rounded edge profile for an optimized hygienic cleaning.
- In case of "high level" hygienic cleaning requirements, EX.15 or EX.80 plinths can be aesthetically added.

- Standard white colours (STDW)
